

Check-In for Anesthesia

Dear Dental Office Staff:

Please direct the anesthesia patient to check in, using the link or the QR code on the other side.

This will:

- 1) Let the anesthesiologist know that the patient has arrived, and
- 2) Email the post-op instructions to the patient or the guardian.

This form is for patients who will be receiving anesthesia TODAY by Han Anesthesiology

Please flip to the other side for the patient
